

6 Graphic and Web Design Internship (FLUGR1005)

PLEASE READ CAREFULLY BEFORE CONTINUING.

European Student Placement Agency, Ltd (ESPA UK) is a recruitment agency whose goal is to find high quality internships for European students in the UK. We work closely with our host companies to ensure the positions provide the candidates with a great experience, both professional and personal.

REQUIREMENTS: ESPA vacancies are open to all EU passport holders able to travel to the UK for an educational work placement, without the need for visa documents. You have to be a registered student and/or have Erasmus+ status to be eligible for our internships. Any student who is unsure of their situation should check with their university before applying. Non-EU students can also apply if they are studying in the EU and can get an Erasmus+ grant/status for the entire length of the internship.

BENEFITS: All ESPA's services are **free** for students and alumni. The benefits are:

- 1) Paid Accommodation.
- 2) Paid Utility Bills (electricity, gas, water and council tax) + Internet Access
- 3) Commuter travel to work (accommodation will be found within an acceptable commuting distance from the workplace, if that requires more than a sensible walk then a bus/train ticket will be provided).

This will be sourced and managed on your behalf by ESPA. **These benefits have an approximate value of 700€-1000€ per month (depending on location).**

There is no salary over and above the benefits offered, unless specifically stated.

The Host Company

This host company offer an innovative cloud-based software solution enabling various organisations and individuals to better master the art of learning and communication. This technology has been developed over the last decade with a strong success in the educational sector. To stay at the cutting edge of its sector, this host-company is keen to develop its products and find new ways to help users measure the impact of their communication on friends, colleagues, students and teachers.

Role

This is an exciting opportunity for a passionate Designer to assist in the re-designing and improvement of the existing website to offer a slick, user friendly experience to the visitor. You will also assist in adding new features encompassing new projects that the company is promoting. You will have every opportunity to offer personal input into the project.

Duration

6 months

Location

This internship is based in Birmingham. Birmingham's metropolitan area is the second most populous in the UK with a population of 3.8 million. This also makes Birmingham the 8th most populous metropolitan area in Europe. This company's office is centrally located in the historic Jewellery quarter.

Languages

English should be B2/C1
