

[The Global Voices Internship Experience!](#)

Global Voices is an exciting and fast-growing language services company, providing translation and interpretation services to a huge range of business throughout the UK, Italy, France, Germany, Switzerland, the USA and beyond!

Every year, Global Voices is able to offer a select few top-performing graduates and university student placements at our head office in Stirling, Scotland, United Kingdom, in order to train and develop talent. You'll gain behind the scenes experience of how an incredibly successful company operates, and you'll get the chance to learn from experienced leaders in various departments.

Global Voices has gained a reputation for teaching graduates highly regarded skills, and giving valuable experience at a prestigious, and well-respected company.

[Benefits of the Internship](#)

Global Voices uses internships to educate, but also to look out for top-performing individuals who are looking for a career! During your internship you'll be given the opportunity to apply for full-time vacancies before external job applicants.

You'll also be given the chance to win a brand-new Apple iPad!

[Details of the Programme](#)

Interpretation Department

Contacting linguists for interpretation projects, assisting the project manager in coordinating both large and small projects, organising, arranging schedules, and working with various soft-wares that aid project management.

Please note that Interpretation interns do not perform the translations themselves but assist with Project Managers in the above tasks.
