

Apply here

Start date

June 2018, but flexible for the right candidate.

Duration

6 months

Languages

Good spoken and written English levels are required (B2 onwards)

Location

Frome, Somerset

Highlighted as one of The Times "Best Places to Live in Britain", Frome is a welcoming, charming and vibrant place to visit, with a wealth of history, culture and natural beauty. With historic buildings aplenty, beautiful independent shops and creative people, this is a wonderfully eventful town in which to live. A short distance from the lively cities of Bath and Bristol, Frome is ideally placed to offer something for all tastes.

Or

Are you eligible to participate in the Erasmus+ programme?

Benefits

See website for details of all ESPA benefits. For all internships over 6 months, additional benefits will be paid. Details available at interview.

Role

This is an exciting opportunity for an innovative Designer to gain practical experience with this cutting-edge branding and development agency. Mentored throughout and working within a small multi-disciplinary team you will assist in the creation of animations and motion graphics for clients as well as in house projects. A creative and enthusiastic individual who lives, breathes and loves design you will have a working knowledge of the latest motion graphics applications and techniques. This experience will be a great addition to your CV and a chance to really showcase your talents in the real world.

Tasks

- Conceiving, storyboarding and creating short animated brand films under our creative direction
- Playing an active role in projects and coming up with original ideas for our clients
- A chance to experiment and develop their skills in our studio

Personal Skills

- Generally, in motion graphics and animation, combined with illustration:
- A degree in Graphic Design, Multimedia or similar
- Adobe Premiere
- Adobe After Effects
- 3D rendering software (Cinema 4D, Blender etc.)
- Adobe Creative Suite (general: Photoshop, illustrator)
- Sketch

The Host Company

The host company is an innovative branding and development agency who specialise in refreshing, repositioning and rebuilding brands to grow, fast. Working with both new and established businesses their portfolio includes many prestigious clients who are looking for something different to promote their brands. Using a combination of traditional methods and cutting edge new technologies the host prides itself on its innovative and quirky thinking to deliver projects that stand out from the crowd.
